INTRODUCTION

In Idaho Public Utilities Commission (“Commission”) Order No. 32861, issued in the above captioned matter on July 29, 2013 and received in the U. S. Mail on August 1, Grand View PV Solar Two, LLC (“Grand View”) is given seven days from July 29, 2013, in which to respond to the Commission’s directive, to wit:

[I]f Grand View has evidence that it created a legally enforceable obligation without conditions, then it may present such evidence to the Commission within seven days of the date of this order.¹

Grand View is simply unprepared to respond to the Commission’s request in the short time period allowed due to other commitments its legal council has to meet, including a trip out of

¹ Order No. 32861 at p. 22.

1 town. Grand View, however, is prepared to respond in fourteen days or later, at the
2 Commission's discretion.

3 Grand View can see no prejudice to the Respondent, Idaho Power Company, in granting
4 it an additional seven days in which to respond. Grand View also can see no prejudice to the
5 Commission, or it's Staff, in granting additional time in which to respond. In fact, with the
6 additional time, the response will be more complete and hopefully more helpful to the
7 Commission in arriving at a reasoned decision. Grand View has contacted Commission Staff
8 attorney Don Howell, who stated that the Staff has no objection to an extension. Grand View
9 has attempted to contact the Respondent, but as of this writing has not heard back.

10 WHEREFORE, Grand View respectfully requests this Commission grant it an additional
11 seven days in which to respond to Order No. 32861.

12
13 Respectfully submitted this 2nd day of August, 2011
